Daisy Data Displays Partners with Pinnacle Technology Sales to Expand Presence in the Mid-Atlantic Region

Mechanicsburg, PA – December 14, 2022 – Daisy Data Displays, a leading provider of cutting-edge industrial custom HMI solutions, has formally partnered with Pinnacle Technology Sales, a renowned Multi-Market Manufacturers Representative specializing in the promotion of high-technology products across diverse vertical markets. This collaboration marks a significant milestone for both companies as they join forces to deliver innovative technology solutions to a broad array of industries in the Mid-Atlantic.

This strategic partnership between Pinnacle Technology Sales and Daisy Data Displays brings together Pinnacle's extensive expertise in technology sales and marketing with Daisy's renowned innovation in custom HMI solutions. With this collaboration, they aim to provide enhanced access to state-of-the-art industrial and rugged displays and computers for numerous sectors, including industrial, military, aerospace, life science, and more.

Daisy is known for its commitment to excellence, producing high-quality customer solutions that meet the demands of their clients. By teaming up with Pinnacle Technology Sales, they will

be able to expand their reach and offer their advanced display and computer solutions to a wider range of industries within New Jersey, New York, Delaware, and Eastern Pennsylvania.

Pinnacle Technology Sales will be the authorized representative for Daisy Data Displays, offering a seamless and efficient experience to customer support, and a deep understanding of the market needs, ensuring that clients receive the best-in-class solutions for their specific applications.

"We are excited to join forces with Daisy Data Displays, a company that shares our commitment to delivering superior technology solutions," said John Zielinski, President of Pinnacle Technology Sales. "Our extensive experience in promoting high technology products, coupled with Daisy Data Displays, please visit www.ptsjjz.com or contact us at 215-322-8370.

About Pinnacle Technology Sales: Pinnacle Technology Sales is a Multi-Market Manufacturers Representative specializing in the promotion of High Technology Products selling into various vertical markets. With a diverse product portfolio and a commitment to excellence, Pinnacle Technology Sales is dedicated to providing clients with the latest and most advanced technology solutions.
